

v-groove glass

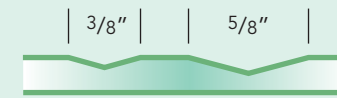

As the sun moves across the sky, v-groove will refract light into your home with a radiant spectrum of ever-changing colors and patterns. This dramatic effect lends a sparkle to any room, and keeps your view virtually unobstructed. When your windows and doors are combined with any of these elegant shapes or patterns, your home will brighten even a dull day.

STANDARD SIZES

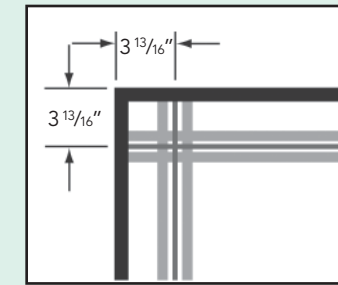

PROFILES

DETERMINING GRID ALIGNMENT

Measurement is from the edge of glass to center of grid. On uneven sightline windows, dimension applies to vent glass on horizontal sliders and fixed glass on single & double hungs.

AVAILABLE PATTERNS All design proportions may change relative to window size and shape.

Colonial **W D**

Cathedral **D**

Contour **W D**

Diamonds **W D**

Marginal **W D**

Superior Makes it Easy To Personalize Your Windows and Doors

Few things enhance your home's value like new windows and doors. In fact, replacing your tired windows and doors offers one of the greatest returns on investment in home improvement. But beyond the simple cost story, updating your home with new Superior Windows and Doors adds warmth and comfort, light and style. With one of the largest variety of enhancements in the industry, it's easy for your Superior windows to reflect your home's unique personality. Choose from elegant grid patterns, unique glass and groove styles, even classic leaded options, all of which are guaranteed to increase the beauty, comfort and value of your home.

grids

Distinctive grid patterns are an easy way to add elegance and beauty to your doors and windows. Available in simulated true divided lite, flat, sculptured and Golden Elegance, Superior's grid options can be applied to vinyl and aluminum windows and doors.

STANDARD GRIDS

Simulated True Divided Lite (STDL)

1" Sculptured Aluminum

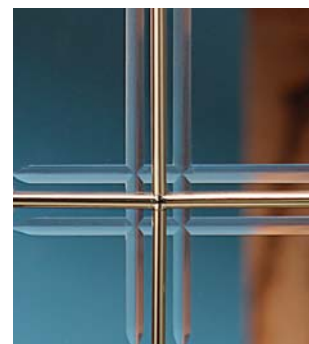

3/4" Flat Aluminum

GOLDEN ELEGANCE GRIDS

Tiffany

Superior's Tiffany design combines the elegance of the Golden Elegance Marginal grid with V-Groove glass for added interest.

Diamond Classic

The aptly named Diamond Classic incorporates a series of diamonds along the center line for the Colonial design and nestles them in the corners for the Marginal designs.

Standard Classic

The pattern that started it all, the Standard Classic's simple beauty adds an element of sophistication to any home.

pattern glass

Not just for bathrooms any more, Superior's unmatched variety of high-quality patterned glass adds a measure of depth, interest and of course privacy to any window or door. Choose from several striking options to fill out your windows and accent your home.

Climate Shield™

COMFORT AND SAVINGS BUILT IN FOR YOU

Superior's Climate Shield™ technology represents a quantum leap forward in energy efficiency. Climate Shield™ high performance glazing system featuring Low-E glass and the Intercept® warm-edge spacer system work in tandem to keep Winter's chill at bay. When the mercury climbs, it reduces solar heat gain, helping you keep your cool. And during those months of extreme temperature change, Superior window seals flex easily without compromising seal integrity.

ENERGY STAR® RATED

Superior Windows & Doors is a proud partner in the ENERGY STAR® program, meeting or exceeding criteria for energy efficiency. In any weather condition Superior windows keep the outdoors right where they belong, meaning your HVAC turns on later, and turns off sooner. Which is better for the environment, better for your home, and better for your wallet.

ENERGY STAR is a registered mark owned by the U.S. government.

A SUPERIOR WARRANTY

In the unlikely event that your premium vinyl or aluminum windows and doors should require maintenance, our Full Lifetime Warranty* covers the labor necessary to repair your windows and doors, including the vinyl and glass seal, for as long as you own and occupy your home. The warranty also

includes glass breakage for windows. For complete warranty details, ask for our warranty pamphlet or see the full warranty online at superior-windows.com.

*Superior warranty may be limited outside the contiguous U.S.
